Jim and JoAnn own the Manchester Beach KOA.

One of Larry's Projects was to paint the ceiling of the Rec Hall. He had to use a Boom Truck to accomplish this.

Felipe and Tency are our friends, co-workers, and next door neighbors.

Here's Sergio and Yolanda. Yolanda is the manager of the campground.

The evening hayride had some interesting characters.

Some of the characters were a bit strange.

Halloween was also the date of our Octoberfest.  
We decorated the Rec Hall appropriately.

a witch coming out of a box.

Here's some hands coming out of the sandy beach.

And here is a witch, or something.
